

## **ELECTRICAL INSPECTOR (488-07)**

**SALARY: \$41,662.40 - \$55,931.20, annually, plus liberal fringe benefits**

Pay for Electrical Inspectors is based on their possession of the

State of Florida Electrical Code Administrators and Inspectors Board certificate.

No Certificate \$41,662.40; Provisional Certificate \$43,700.80; Standard State of Florida Inspector Certificate \$45,884.80

### **THE POSITION**

This is inspectional work of average difficulty in securing compliance with City Ordinances, the Florida Building Code, and accepted standards governing the installation and operation of electrical systems and equipment.

An employee in this class is responsible for the inspection of a variety of electrical installations to assure the maintenance of standards of electrical work with regard to quality, material, workmanship and safety, as established by the Florida Building Code, and inspections for conformity with zoning rules and regulations effective in the City. Employees normally work independently on field inspections, making decisions requiring the use of technical judgment and discretion; however, they may consult with a supervisor on more difficult or unusual cases. Work is subject to periodic checks and inspections and is reviewed through reports and results obtained. The employee may be assigned to Construction Services or Community Inspections.

### **THE REQUIREMENTS**

1. Have graduated from a standard high school or vocational school or possess a G.E.D. certificate from a recognized issuing agency.
2. Have at least five (5) years experience as an electrician in a supervisory capacity, including varied experience in construction and installation work and interpretation of building and wiring plans.
3. Possess an acceptable current Certification of Competency as a Master Electrician/Electrical Contractor.  
**PLEASE ATTACH A COPY OF THE CERTIFICATE OR LICENSE TO YOUR APPLICATION**
4. Must obtain a provisional certificate as a Commercial Electrical Inspector from the State of Florida Building Code Administrators and Inspectors Board within forty-five (45) days of appointment **and** must obtain a standard certificate as a Commercial Electrical Inspector from the above noted Board within one (1) year of date of appointment.
5. Be able to obtain certification as an Electrical Inspector from Broward County Board of Rules and Appeals.
6. Possess or be eligible to obtain a Florida driver's license and have an acceptable driving record.

**NOTE:** REQUIRED CERTIFICATIONS/LICENSES MUST BE KEPT CURRENT TO CONTINUE EMPLOYMENT IN THIS CLASS.

**PLEASE ATTACH ALL APPLICABLE CERTIFICATIONS TO YOUR APPLICATION.**

### **THE EXAMINATION**

Depending on the number of applicants and the quality of their education and experience, the examination may consist of one or more of the following tests: Evaluation of Training and Experience, Oral Interview, Written Examination, or other assessment method. Applicants must attain a minimum score of 70 in each part of the examination in order to qualify. All successful applicants will be required to pass a medical examination, including drug screening, prior to appointment.

**NOTE:** IF THE POSITION WARRANTS, CANDIDATES MAY BE REQUIRED TO SUCCESSFULLY PASS A POLYGRAPH EXAMINATION PRIOR TO EMPLOYMENT.

### **HOW TO APPLY**

Application forms should be filled out completely and should clearly show that the minimum qualifications are met. Eligibility for hire may be based on a rating of the application; therefore, completeness and accuracy are of the utmost importance. Official City of Fort Lauderdale applications will be accepted and **received** at the Department of Human Resources, City Hall, 100 North Andrews Avenue - 3<sup>rd</sup> Floor, Fort Lauderdale, Florida, **open continuously until sufficient applications have been received.**
